

Year 6

Dear Parents and Carers,

Welcome to Year 6! This week we have been settling into our new classrooms and routines as brand-new Kites and Eagles. We have taken some time to play some fun icebreakers and prepare for our first school mass of the year, which Year 6 will lead as the new role models of the school.

In PSHE, we have been thinking about how we are all unique and special in our own way and how as individuals, we should embrace our differences and celebrate these together. Children were asked to write about the BEST part of themselves. This is then used to create a display which stays in the year 6 corridor all year long to serve as a reminder of the things we love about ourselves.

The children have also gotten started on a bit of writing and we are so excited to watch their writing journeys grow as the year progresses.

Miss Maloney and Mrs. Peneda

Important dates:

Our Year 6 parent meeting will be held on **Thursday 12 September 2024** at 3:00 p.m.

Monday 16th – Friday 20th September - PGL

This week's homework update:

There will be no homework this week. Please continue to read with your children daily and updates will follow next week at Meet the Teacher on how homework will work this year.
