

Year 6

Dear Parents and Carers,

Update:

This week, we have finished off our diary entries in Writing, measured and plotted angles of incoming and reflected light rays on a line graph in Science, learned about how the United States produces energy in Geography and solved mixed problems involving fractions in Maths. We spoke about how Mary is the mother of God in RE and explored power struggles in PSHE. Of course, we all enjoyed kicking off the Christmas spirit with Christmas Art Day! Lots going on at the moment, please read all updates below. 😊

Thank you very much for your support!

Catholic Social Teaching

As part of our learning, we teach children how they can follow in the footsteps of Jesus in the way they interact and help others. If your child has taken part in any charity work, please let us know so we can share and celebrate this in school.

Look forward to:

The Scholastic Book Fair will arrive in school next week on Tuesday 3rd December and will be set up on the KS2 playground from 3.15-4pm. If the weather is bad, it will be set up in the library. The book fair will be collected on Monday 9th December (please see poster below).

Homework:

Art – The children have been learning about activism in their art lessons and will be making their own zines in class which represent a message which is important to them. The children have decided on their messages in class. Please could the children bring into school some photos, images from the internet, key words, newspaper cuttings or any other types of collaging materials that they would like to include in their zines, which they will be creating over the next few lessons. They could also carry out some research on zines to inspire their work.

WEEKLY HOMEWORK

KS2 SATs Busters:

Set A Test 3 of Reading, Grammar Punctuation and Spelling and Maths.

Mathletics

Maths homework will reflect the learning that is done in class during the week. It is set every Friday on Mathletics.
