

14.3.25

Our Week in Year 1

This week we have been learning...

English - about non-fiction books and we began to write our animal reports for our own class non-fiction book.

Maths - we continued looking at numbers up to 50, how to make numbers using Base 10 and partition them into the tens and ones.

PSHE - We have been learning about keeping healthy with our lifestyle choices.

RE - We continued our Desert to Garden topic and listened to the gospel story of the widow's mite. The children thought of questions they would like to ask the widow and the other people at the temple.

Science - This week we started our new topic - Plants! We went on a plant hunt outside looking at different features of plants, including **flower, stem, roots and leaf**. We then planned an investigation to find out if beans need water to grow!

History - Thank you to Natalie Crew, who came to talk to Y1 about her toys from the past. The children loved asking lots of different questions. Our new learning this week was to look at artefacts (toys from the past) and answer questions about them.

Notes for parents

Homework - Mathletics x 1, Reading RWI books and Spellings

the and was you saw Thursday spoon blow night float

Mathletics Homework - Please complete all outstanding activities as soon as possible. If you are having difficulty completing the activities each week, please speak to your class teacher.

Maths Homework - Please practise counting forwards and backwards from 0-50. Also, practice writing the numbers. See below for a number square to help you, if needed.

Dates for your Diary

Friday 14th March and Monday 17th March - INSET Day School is closed to children.

Thursday 20th March - Year 1 trip to Milestones Museum - Please give your child a packed lunch (no nuts please) for the trip (in a small rucksack). Full uniform as normal.

Friday 21st March - St. Joseph's Feast Day

Thursday 27th March & Friday 29th March - Lent Concert - more details below. Please continue to practise singing at home 😊

Thursday 27th March (in person) and Tuesday 1st April (remote) - Parents evening.

Friday 4th April - last day term - finish 1.30pm

Have a lovely weekend!

The Year 1 Team

Lent Concert - Year One:

Our Skylarks and Swans will be joining together for our Lent Concerts to sing two songs. The first they are singing as a year group, you can hear it by accessing the following link: [While we live we learn - BBC Teach](#). The second song, 'My Lighthouse' will be performed by all of Key Stage 1 together. Please feel free to have a listen to these songs over Half Term. The lyrics will need to be performed by heart for the concert, so please do support your child in learning these if you are able.

While we Live we Learn

While we live we learn, (while we live we learn,)
While we learn we grow, (while we learn we grow,)
And the more we grow, (and the more we grow,)
So the more we know, (so the more we know,)
And the more we know, (and the more we know,)
Then the readier we will be
For all life's big adventures
And all life's mysteries.

My Lighthouse

The lyrics and backing track for this can be found here: [My Lighthouse Instrumental Lyric Video Key:A](#)
Although the following version is slightly different, the actions that we will be using are the same:
[Rend Co. Kids - My Lighthouse \(Hand Motions\) \(Official Music Video\)](#)
