

Year 6

Dear Parents and Carers,

We have so enjoyed getting started with our learning in Year 6 this week. We have begun reading our first class text of the year, *Holes* by Louis Sachar, which the children are loving so far. We have also been taking a new look at the second creation story in RE, which has inspired some beautiful artwork. We have also started our learning on classification of living things in Science and hot deserts in Geography.

The first school mass of the year was a success and the children made us all incredibly proud of their behaviour and beautiful reading in church.

We are so looking forward to PGL next week!
