Maths Mastery

Concrete - Pictorial - Abstract

$$2 \times 3 = 6$$

Fluency - Reasoning - Problem-solving

$$3 \times 2 = 6$$

$$2 \times \underline{\quad} = 6$$

How can 6 eggs be arranged in a box?

$$6 \div 2 = 3$$

$$6 \div 3 = 2$$

How many ways can a box of 6 eggs be shared?

At home children will read a book (within a book band or beyond). The teacher will check suitability.

A reading challenge will be given for homework every Thursday to be completed by Monday.

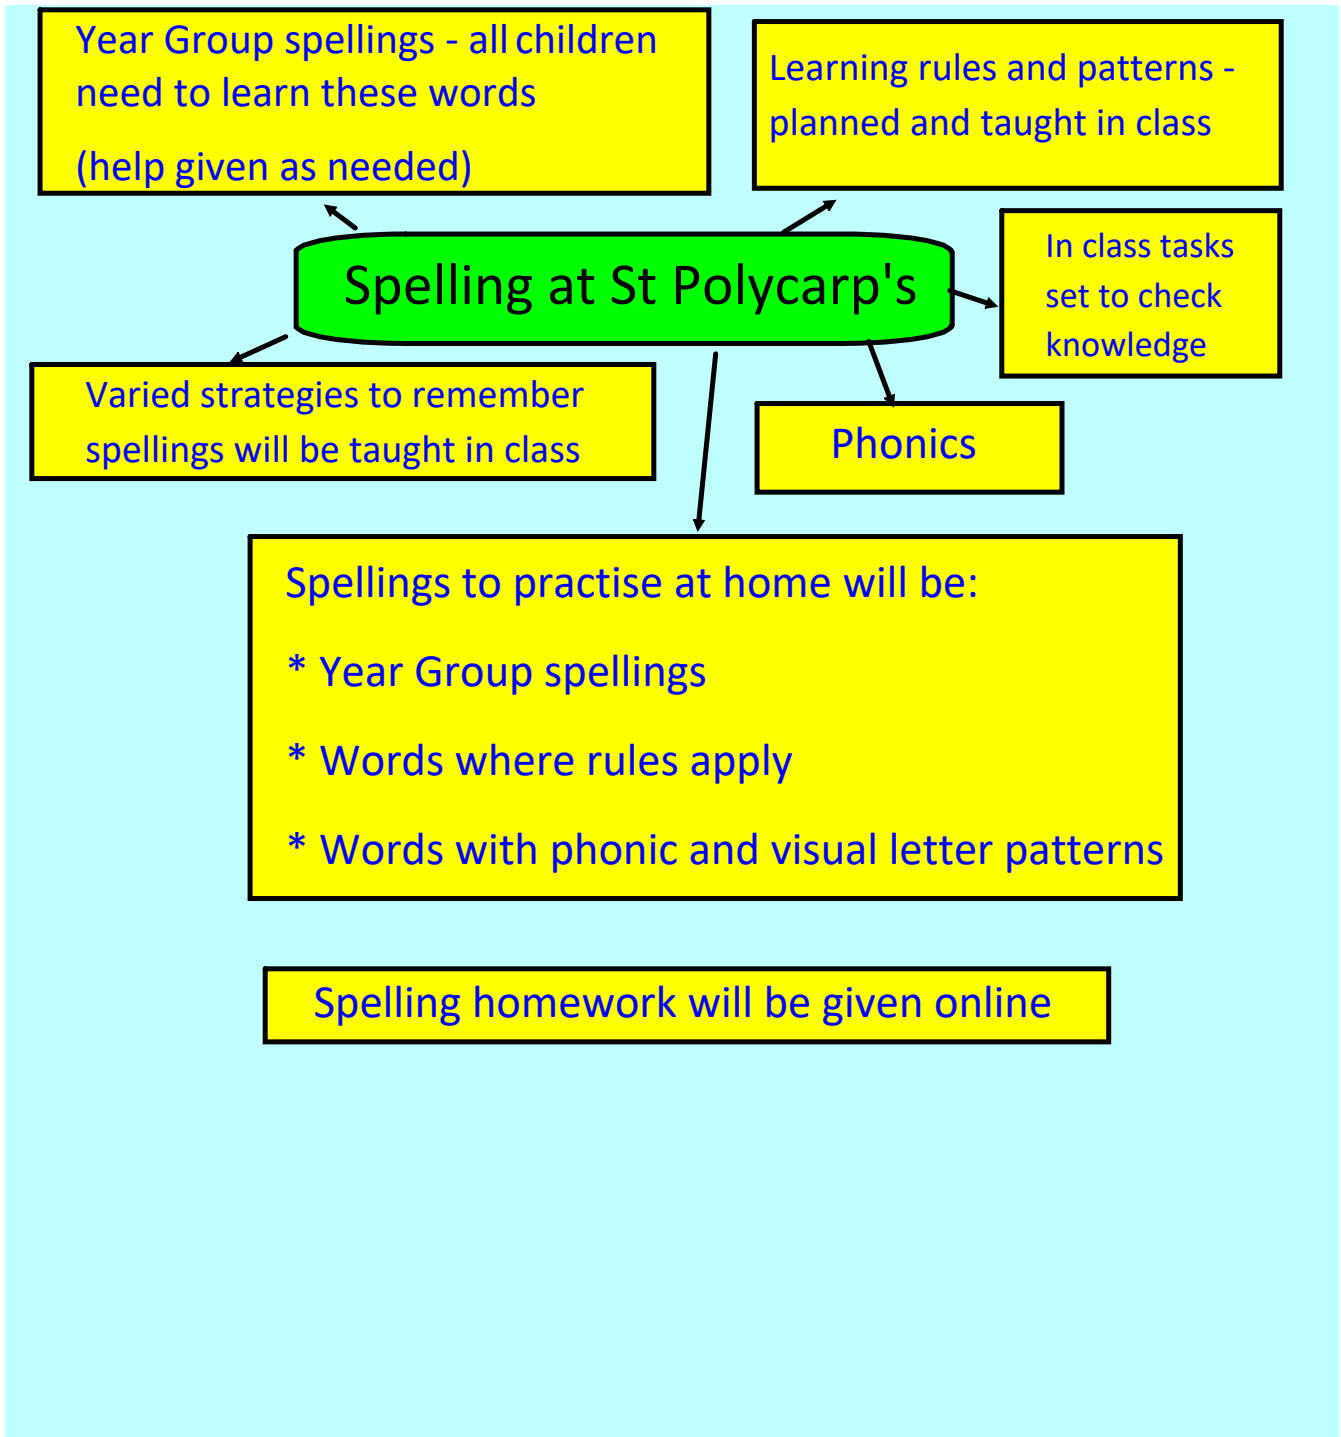

In school every day the children will have reading time.

Reading

Children are expected to read every day at home for at least 10 minutes.

At home children must **read aloud to an adult** even when they are confident, independent readers. Adults need to sign Reading Record Books, when they hear their child read.

Children will be read with frequently by an adult in school

Writing

- a joined up style is used
- children are taught to edit and improve their writing
- a wide range of grammar and punctuation is taught

	Use inverted commas for speech. Use a new line for each speaker. Use commas to punctuate speech.

Homework

Set on a Thursday and to be completed by Monday morning.

The reading challenge will be set on Teams.

Reading challenges will be set every week.

Spelling on Ed Shed will be set every week with a test on Friday

Mathletics will be set every week

Times Table RockStars is to be played little and often each week

Y4 Time Table Check

A government check will take place in June. You will receive a paper slip with your child's report with how they scored.

It is out of 25

The test gives children 5/6 seconds to answer each question.

Soundcheck mode on TTRS emulates this.

Times tables and number bonds are the foundations of maths so it is incredibly important that your child is secure with these.

E-safety

- includes: phones, i pads, computers, laptops, play stations...
- use parental controls
- children should be with an adult/in view when using devices
- children should not use their name, address, phone number or any personal details online
- children should not be identifiable e.g. uniform, photos, name
